De Luze Cognac Distillery - 24 generations of expertise The Boinaud Family is one of the oldest wine-growing and distilling families of cognac. Historical records date the family back to 1640. Passion, expertise and «savoir-faire» have been passed from generation to generation. The vineyard is located in the heart of the Grand Champagne Cru; with 420 hectares, it is the largest family vineyard of the Appellation. The unfiltered wines are distilled twice in small Charente stills to obtain rich and sweet Cognacs. The barrels are produced in their own cooperage, using French Limousine oak and toasted using special methods. The bottling is carried out in the Estate to preserve the delicacy of the cognac
