

PARÉS BALTÀ MUSIC BLANC

2013 Microcuvée | D.O Penedès

This organic, biodynamic sweet wine is made from 100% Chardonnay grapes, dried on their own vines until they become raisins. The grapes are fermented at 16°C in steel tanks for 20 days. The wine is then matured for 4 months in second-year French oak barrels from Allier. Music Blanc is part of the Microcuvée selection of organic and biodynamic wines produced in very limited quantities only in the best years. The grapes for this wine come from vineyards with special soils and microclimates, yielding to more refined wines.

Tasting notes

Color

Bright gold.

Aroma

Highly aromatic with an intense bouquet of flowers and white fruit

Taste

Intense and full-bodied with a velvety texture and loads of honey, flowers and dried apricot notes.

Finish

Long and satisfying

About Parés Baltà Organic & Biodynamic Wines Parés Baltà is a family winery in the Penedès region whose history dates back to 1790. Thanks to the different soil composition and microclimates, the wines have a particular character. The winery has a long tradition improved with innovative ideas to produce organic - biodynamic wines, cava and natural wines. Three generations are presently at work on the estate. The vinification has been entrusted to Maria Elena Jimenez and Marta Casas both exceptional young women who express their talent in the quality of the Parés Baltà wines. These wines not only show character and mastery but also elegance and balance. The vineyards are located over five estates in Penedès, cultivated using sustainable methods in harmony with the environment. Parés Baltà wines and cava are characterized by their outstanding flavour profile
