

DOMAINE DES MÛRIERS PINOT NOIR

2019

David Burgat | Neuchâtel

A typical ruby red drop in the glass. A fine bouquet of black cherries and wild strawberries. Subtle earthy notes of mushrooms and forest floor build on these aromas. The palate convinces with fine tannin and a refreshing acidity as well as hints of dried figs, cherries and raspberries.

Tasting notes

Color

Classic light ruby red in the glass

Aroma

The bouquet is very aromatic with hints of black cherries and wild strawberries. There are also subtle earthy notes of mushrooms and woodland soil.

Taste

On the palate, it is medium-bodied and structured with delicate tannins and a refreshing acidity as well as aromas of dried figs, cherries, and raspberries. About the Winery From the lands to your taste buds, a family story... The great wine adventure of Domaine des Mûriers began in the '70s on the shores of Lake Neuchâtel. Fifty years later, the Burgat family continues to bring to life the unique taste of the grapes, cultivated according to organic and biodynamic methods. For the love of nature, traditions and the land... The vineyards include five hectares of land, harvested by hand, free of pesticides, following the rhythm of the seasons. The grapes are slowly pressed and the wines are created in an artisanal manner. Domaine des Mûriers holds a Demeter Quality label and is a member of the Bio-Suisse group. A Domaine, to discover or rediscover red, white, rosé, sweet or Grand Réserve wines, there is no doubt that you will find your favourite among their different grape varieties and labels.
