

DR. ADAM ELMEGIRAB'S

Aphrodite Bitters

Dr. Adam Elmegirab's Aphrodite Bitters is an aromatic liqueur used in cocktails, handmade from the finest cocoa nibs, Arabica coffee, ginseng, spicy ginger root and red chillies. It has a velvety texture with intense aromas.

Tasting notes

Taste

Roasted coffee, hazelnuts and dark chocolate combined with sweet notes of rum, raisins and vanilla. Spicy notes of chili and wood merge for a long and lingering finish.
