

## LVX GENEVA DRY GIN

### Handmade in Switzerland

A floral and spicy gin, made from Swiss grain alcohol and nine botanicals; Juniper Berries, Coriander Seeds, Angelica Roots, Lemon Peel, Orange Peel, Cardamom, Grains of Paradise, Elderflower, Hyssop flower some of the botanicals are locally sourced, others come from around the world. LVX Geneva Dry Gin is handcrafted in small batches with each bottle numbered by hand.

#### **Tasting notes**

##### **Aroma**

Vibrant and aromatic.

##### **Taste**

Angelica and juniper flavours stand out first, followed by sweet elderflower notes, balanced by the zesty freshness of orange and lemon peel.

##### **Finish**

Long and slightly peppery.
