

GRAND MARNIER RÉVÉLATION

XO Cognac & Orange Liquor

The newest Révélation is a luxurious expression of the iconic French house with the most cognac-forward taste and just a dash of Bigaradia orange essence. Composed of XXO cognacs exclusively from the distinguished Grande Champagne cru, aged at the prestigious Chateau Grand Marnier in Bourg-Charente. The final assemblage is matured in oak tanks over several months, allowing alchemy to take over and bring the spirit alive. Grand Marnier Révélation 2021 edition is part of the Exceptional Range, a limited edition that showcases a series of rare Grand Cuvees.

Tasting notes

Taste

Extremely subtle, here the classic Grand Marnier sweetness is curbed while earthy vanilla, floral essences, and toasted almond notes are heightened. The fresh and round bitter orange perfectly matches this remarkable Cognac creating a compelling flavour profile with a long aftertaste.
