

## TURICUM DRY GIN

### Handcrafted in Zurich

Handmade in Zurich from a unique combination of botanicals; Linden blossoms found in the Lindenhof at the Limmat river, blue juniper, coriander seeds, handpicked spruce tips, angelica, Madagascar pepper, orange blossom, licorice, rosehip oil, fresh lemon, and orange zest. Produced in small batches, every bottle is numbered by hand.

### **Tasting notes**

Turicum is the ancient name of a settlement from the Roman period in the center of today's city of Zurich.
