

HIGHLAND PARK VIKING HEART

15 Years Old | Single Malt Whisky

For this edition, Master Whisky Maker Gordon Motion selected sherry-seasoned European oak casks for their warm, spicy notes and sherry-seasoned American oak casks to provide sweet notes to the lightly peated single malt. Highland Park Viking Heart 15 years old is presented in a ceramic decanter by Wade Ceramic, inspired by ancient examples found at the distillery. The lead-free porcelain decanter is 100% food safe, glazed inside and out, and embossed with the lion and serpent design that appears on many Highland Park glass bottles.

Tasting notes

Taste

Toasted cinnamon shards, mellow peat smoke, warm vanilla sponge cake, lemon zest, fresh pineapple, heather-rich honey
