Tasting notes

Color

Copper with gold-orange reflections

Aroma

The bitterness is meticulously crafted; intense yet very pleasant and well integrated with the various aromatic and sweet notes of gentian root, wormwood, daisy, sweet and bitter orange, vanilla and cinnamon that provide balance and complexity.

Taste

A large number of intense and exotic plants, such as bitter wood, give the product its integrity and artisanal character inherent to Distilleria Quaglia, making it a truly exceptional and "aristocratic" bitter. Sweet and rich with perfectly balanced bitter notes.

Finish

Fragrances of bitter orange, gentian, ginger and rhubarb.
