

## SAMAROLI ORANGE 2021

### Cognac, Armagnac & Brandy Orange Liqueur

The second edition of Samaroli Orange Liqueur is crafted from a combination of an extra old Cognac, an Armagnac over ten years old and a 30-year-old Italian Brandy. It is then blended with Sicilian orange liquor and further matured another four years in oak casks to complete the marriage before being bottled. Samaroli Orange Liqueur was in France at 40% ABV, and only 510 bottles have been released in 2021.
