

EL DORADO SKELDON 2000

18 Years Old Demerara Rum | 2018 Release

El Dorado Skeldon is a limited edition rum distilled in 2000 in a Continuous Blair Still, matured in Ex-Bourbon barrels and bottled in 2018 at a cask strength of 58.3%. This bottling bears the Mark: SWR, which stands for Skeldon, a ghost distillery that closed its doors in 1960, so the mark refers to the style of rum rather than the place of origin.
