

SMITH & CROSS NAVY RUM

Traditional Jamaica Rum

Made from a blend of Wedderburn and Plummer 100% pure pot still distillates, aged up to 3 years in white oak barrels. These two are a combination of heavy and medium bodied molasses rums, creating an extraordinary full flavored cask strength Jamaican spirit. Smith & Cross dates back to 1788 being one of England's oldest producers of sugar and spirits, their refinery is located at No. 203 Thames Street by the London Docks.
