

MOCAMBO 20 YEARS OLD

Rum Single Barrel | Art Edition

This single cask rum is a stunning expression of Mexican rums, delicate with a mild, mature taste. Matured at 900 meters above sea level in European white oak casks, a work made with dedication and attention to detail. The bottle is finely crafted and features a unique design, encased in a mesh of natural fibres from the Amate tree. Each bottle is unique and a work of art created by Mexican artist Victor Fernandez Limon. Mocambo 20 Years Old Art Edition is limited and a great collector's item. The numbering refers to the original cask in which the rum matured.
