

SAILOR JERRY

Spiced Rum

A blended rum made with natural Caribbean spices, aromatic vanilla, and cinnamon. Its high alcohol content is ideal for holding a bold character and the richness of the spices, this recipe is based in an old sailor tradition.

Tasting notes

About the Brand Sailor Jerry Rum is inspired by Norman Collins (1911 - 1973) who is considered the father of the old school tattooing style, an innovator and an independent-spirited craftsman whose works of art and integrity are as timeless as the rum that bears his signature
