

SPIRITED UNION SWEET ORANGE & GINGER

Botanical Rum

For this rum, Spirited Union combines distilled Valencia & Curaçao oranges with their barrel-aged Jamaican rum to create a lively spirit with citrus and sweet notes. To create a flavourful fusion fresh ginger root is added for a hint of spiciness. The freshness of the ginger perfectly complements the sweet taste of sugar cane.

Tasting notes

Color

Clear orange colour with straw yellow highlights.

Aroma

Bright with fresh citrus notes, a hint of vanilla and spicy ginger notes.

Taste

The hand-peeled oranges add a rich and almost oily texture to the rum while the spicy ginger root gives it a hint of pungency that combines harmoniously with the leathery taste of the Jamaican rum.

Finish

A silky and slightly warming after taste.

About the Producer Spirited Union is a Dutch distillery that specializes in botanical rums, their mission is to create Union between the vast and colourful world of Botanicals and rums to create vibrant and exciting new tastes. The distillery sources single-origin rums and botanicals from the best regions in the world. Working with fresh ingredients, combining textures and flavours to produce real flavours and memorable rums, that are bold & well balanced. To make their supply chain as sustainable as possible, they run on a solar-powered distillery, eliminating single use plastic, working with sustainable partners.
