Tasting notes

Taste

Complex bouquet and a wide range of impressions of leather, honey, dried fruit, yeast, cream and balsamic; the finish is long with a velvety texture. About the Glen Grant Distillery The distillery is located in Rothes, Speyside. The whisky is rated as one of the best in the world and owes its success to the fact that its owners introduced the whiskey as a single malt at an exceptionally early stage. Unlike some other single malts that are denser and stronger, Glen Grant is clear, fresh and light. What sets it apart from others can be explained by the unique distillation and purification process. Slow ageing in high-quality oak barrels gives the Glen Grant its unique colour, distinctly fresh & slightly fruity taste. It is not just a matter of time. A distinctive feature of the Glen Grant Distillery is the treatment of the barrels, which are carefully hand-selected and used only a few times.
