

AVIÓN RESERVA CRISTALINO

Tequila Añejo | 100% Agave

Avión Reserva Cristalino is made with hand-selected agaves from Jalisco, slowly roasted in brick ovens and processed according to a modern distillation method of blending a 12-month-old Añejo with a touch ultra-premium, three-year-old Extra Añejo tequila. The blend is double-filtered through charcoal to remove the natural colours the spirit absorbed from the cask, allowing the spirit to maintain its complex flavour and adding the clear brightness of a Blanco tequila.

Tasting notes

Taste

Avión tequila Reserva Cristalino features notes of oak, vanilla, spices, roasted nuts, and earthy agaves.
