

TOPANITO^{TEQUILA}

Blanco 100% Blue Weber Agave

Topanito Blanco is a bartender's choice and the ideal ingredient for mixing Tequila-based cocktails and long drinks such as Margarita and Paloma. Topanito Tequila is produced at the most awarded distillery in Mexico, Destiladora Del Valle de Tequila, also known as the legendary Casa Maestri distillery in Jalisco. Crafted according to traditional methods with 100% Blue Weber Agave sourced from long-term suppliers in the highlands and lowlands of Jalisco. The agave is slowly roasted in brick ovens or "Hornos" for 36 to 54 hours then milled to extract the concentrated agave juice and separate the fibres, which are washed with deionized/ reverse osmosis treated water.

Tasting notes

Color

Clear

Aroma

Tequila Topanito Blanco has intense fruity and earthy aromas with notes of citrus and green peppers.

Taste

Full-bodied, complemented by sweet hints of honey accompanied by a tingling mouthfeel.
