

## CRYSTAL HEAD AURORA

### Wheat Vodka | MAGNUM Bottle

Clean and crisp. Crystal Head Aurora is made with English wheat and pristine water from Newfoundland, Canada. An additive-free vodka, distilled five times and filtered up to seven times, three of these filtrations are made through layers of Herkimer diamonds. Aurora is presented in an iridescent metallized bottle as a celebration of the Aurora Borealis, the most vivid aerial phenomenon.

#### **Tasting notes**

##### **Color**

Clear as crystal

##### **Aroma**

Fresh with delicate floral aromas and a subtle hint of anise.

##### **Taste**

Warm with intense peppercorn notes and a touch of sweetness.

##### **Finish**

Dry and warming
