

HELVETICO VERMOUTH DRY

The tart, dry Helvetico Vermouth draws its flavour from the "Müller-Thurgau" grapes & locally sourced botanicals such as verbena, nutmeg and fresh citrus fruits - it is ideal in a Dry Martini or other cocktails such as Brooklyn, El Presidente, Bamboo and Perfect Manhattan. A new aperitif experience, simply modern, fresh and unconventional

Tasting notes

A short story about the distillers Damian, Florian, Gian - gastronomy, food technology and business: three friends from different backgrounds join forces to use their talents to create a vision of vermouth that breaks away from time-honoured conventions.
