

LE PHILTRE ORGANIC VODKA

Eco - Responsible French Vodka

Le Philtre is a premium organic vodka, free from added sugars and GMOs. This high-quality vodka is produced in the Cognac region of France at the Maison Villevert distillery, using only the finest organic soft winter wheat and Gensac Spring water. This water is known for its purity and enhances the smoothness of the vodka.

Moreover, Le Philtre Organic Vodka comes in an Eco-designed bottle made from 100% recycled waste glass. As a result, the bottles come in various shades of blue, including Sapphire, Emerald, Jade, Aquamarine, and Turquoise. The bottle cap is also made from oak waste from sustainably managed forests, making it an environmentally conscious choice.
