

## FAMOUS GROUSE CERAMIC DECANTER

### Blended Malt Whisky | Limited Edition

The Famous Grouse Ceramic Decanter was created by Master Blender Gordon Motion in honour of the 30th anniversary of The Famous Grouse becoming the best-selling blend in Scotland. What makes the Decanter special is that it also contains whiskies distilled in that very special year, 1981. The Wade Decanter, lovingly illustrated by Rodger McPhail, is limited to 10'000 bottles worldwide.
