

REDBREAST 12 YEARS OLD

Single Pot Still Irish Whiskey | Bird feeder

Redbreast presents a limited edition of their signature 12-year-old Irish whiskey encased in a birdfeeder. The case was designed in collaboration with BirdLife International to help feed local birds during winter months. Every bottle sold goes towards BirdLife International to support its efforts to protect species and habitats. Redbreast is made from a mash of malted and unmalted barley, triple distilled in traditional copper pot stills and aged 12 years in a combination of bourbon and sherry casks.
