

JOHNNIE WALKER BLUE LABEL

Cities of the Future Mars 2220

Johnnie Walker Blue presents Cities of the Future Mars. The limited edition scotch whisky comes in a gift box featuring an NFC scan that allows users to enter the year 2220, making it the ideal present for whisky collectors. The Johnnie Walker Blue Cities of the Future series envisions a thriving and vibrant future society that has transformed cityscapes and skylines, embracing new scientific developments to push the boundaries of what is possible. It explores themes of geoengineering, AI empowerment, and physics-defying technologies. Johnnie Walker Blue Label Whisky is 6-star Mehadrin Kosher certified.
