

MORTLACH 25 YEARS OLD

Single Malt Scotch Whisky

Elegant, mature and opulent. An award-winning Speyside whisky aged in a combination of Sherry and refill American oak cask. This expression is presented in a gorgeous bottle, encased in a modern metal frame. The long maturation gives it a rich, malty and highly aromatic bouquet, complemented by hints of tropical fruit, vanilla and licorice. Very limited, this version is no longer produced and thus an absolute collectors whisky.
