

HELMUT X PORFIDIO WELSCHRIESLING

Tequila Barrel Aged Wine| Vintage 2018

A beautiful story how a son and his father can connect across continents - Helmut x Porfidio is a white wine made exclusively from Dry Welschriesling grapes, a centuries-old local Austrian variety grown in a family-owned vineyard with magnesium-rich soils. The grapes are 100% Single-Estate grown, hand-harvested, and organically certified by the grandfather. This wine undergoes bio-fermentation and matures in ex-tequila barrels for a min. or 2 years (after his son aged the tequila in it in Mexico for at least 5 years). Helmut x Porfidio is crafted through a non-chill filtered process and aged in a single cask for a unique and delicate flavour profile. If you're curious about wine this is a must to taste, something so unique! A must try for anyone wanting to discover something new. A special treat with a nice surprise.
